**SUBJECT** Continued Supply Issues with Huy Fong Sriracha Hot Chili Sauce  
**DEPARTMENT** Red Gold Foodservice  
**DATE** December 9, 2022

Red Gold was notified yesterday by Huy Fong Foods, Inc., the supplier of the iconic Sriracha Hot Chili Sauce, that they continue to experience extremely limited raw material supply.

Their announcement went further, advising customers “to not make commitments to your customers for our products”.

We have been able to procure enough sauce to continue producing our popular 6/20oz Sriracha Ketchup Bottle. Red Gold does not anticipate any disruption in our ability to produce this item for the foreseeable future.

For a time, we believed our supply issues had been resolved, which allowed us to resume taking orders on the 7g Huy Fong Sriracha Hot Chili Sauce Packet items.

Unfortunately, Red Gold will not be able to produce any additional inventory, and we expect to suspend orders within the next month on these Packet items.

Huy Fong Foods has advised that they cannot say with certainty when more supply may come available. We will continue to monitor our ability to resume sales as more information is provided to us.
