RE: Sunny Fresh® Products

Dear K12 Customer,

At Sunny Fresh, we are committed to being a supplier to K-12 schools and we appreciate your continued business. We would like to update you regarding the supply status of our prepared egg products. At this point in time, we are expecting paused production in the following categories: Individually Wrapped Tortilla Wrapped Omelets, Individually Wrapped Omelets, and Individually Wrapped French Toast. We expect this pause to last through December 31<sup>st</sup>, 2021.

To assist in your menu decisions during this time and to minimize the impact to you, we have put together a list of SKUs that are paused, and the suggested replacement for each. Please note we are not currently able to promise inventory levels of any item.
