Valued Customer,

As a follow-up to the communication you received in November, we are providing an update on the status of our Pillsbury Mini Pancakes items listed below.

We continue to experience several disruptions that are impacting production of these SKUs, including labor, capacity, ingredient and mechanical challenges. The compounding of these constraints is resulting in product that is not meeting the high-quality standards that we expect to provide to our consumers. Given the continuation of these disruptions, we are extending the temporary suspension of these SKUs through the dates listed below.

Our ask is that you do not remove these items from your system. We will continue to work diligently to return these items to market at our expected quality standards as soon as possible.
