Valued Customer,

As a follow-up to the previously communicated temporary suspension of our Pillsbury Mini Pancakes SKUs, we will be extending this suspension until July 1st, 2022.

These SKUs have been impacted by several disruptions over recent months, including labor, capacity, ingredient, and mechanical challenges. The compounding of these constraints is resulting in product that is not meeting the high-quality standards we expect to provide to our consumers.

We remain committed to providing high-quality products across our portfolio. Our teams are working diligently to return these products to market as soon as possible.
