

November 17, 2021

To: IPAP

From: Saputo Dairy USA

Subject: Temporary Product Suspension

As a customer, you know Saputo continuously works to exceed customer expectations across our entire portfolio of products. Unfortunately, due to the current labor and market constraints faced by business all across the country today, we are having to make difficult decisions. In order to best serve the most customers in the best fashion and sustain our business, we are temporarily suspending production of a small number of items. Please we are working diligently to re-instate the production of these items as soon as possible.

The items listed on the next page will be suspended on November 17<sup>th</sup>:

We appreciate your support as we work through this situation. If you have questions, please contact your Sales Rep, Matt Baugnet, or you may contact customer service at 1-800-236-1014.
