House Blend

This most popular blend is roasted in a classic style, resulting in a smooth coffee and creates a full flavored cup with great body.

Classic Blend

The bean provides for a smooth, clean flavor with a little sweetness.

Choice Blend

This product is blended using a high percentage of grade 1 robust beans from Vietnam resulting in a full bodied, familiar familiar flavor. Its then roasted a little longer than usual smoothing the flavor our and creating a more uniform flavor profile.

Colombian

Impressing everyone from an everyday coffee drinker to the pickiest coffee connoisseur, this coffee is roasted to a full medium color, stopping just short of becoming a dark roast.

Rio Dulce

This perfectly balanced coffee blend makes for a perfectly balanced cup.

Inca Bold

This Organic Fair Trade coffee with originates in Peru has a natural sweet quality that is tamed by the medium/dark roast.
