

ADD ICED COFFEE TO YOUR MENU

From 2015-2017, cold coffee sales increased by 370% from \$8.1 million to \$38.1 million. Be part of this growing trend!

Sweet and Creamy Iced Coffee Directions

1. Use approximately 3oz of coffee to brew one glass pot. (We recommend 2-1.5oz packs of House Blend or 1 1/2 packs of 2oz Colombian.)
2. Pour pot of coffee into a pitcher and add $\frac{3}{4}$ cup of sugar. Stir vigorously.
3. Add 1 cup of half and half, and stir.
4. Cover pitcher and place in refrigerator.
5. Fill a clear cup with ice and pour coffee into cup.
6. Top with whipped cream and serve.
