

July 6, 2021

Dear Valued Customer,

I want to thank you for your business and your loyalty over the years.

These continue to be unprecedented times and Mrs. Gerry's is continuing to experience a significant labor shortage. This is requiring us to temporarily suspend additional salads which will hopefully enable us to continue to fill your orders of our top selling salads through this busy salad season.

The following products will be temporarily suspended with shipments **beginning July 12, 2021:**

ITEM CODE	PACK SIZE	PRODUCT
20201	12-1 LB.	THREE BEAN SALAD
17501	12-1 LB.	ROTELLI PASTA
14405	2 - 5 LB.	BRUSCHETTA PASTA

We have minimal inventory of some of these products that will be available to ship first come first serve, and once that is depleted, we will suspend producing those products until the current production situation allows us to.

If you have any questions, please reach out to your Mrs. Gerry's sales representative.

We appreciate your understanding.

Sincerely,

Brenda Stevens
