To Our Valued Customers,

Market conditions continue to affect our production lines. We are currently experiencing supply issues on our Garlic Sauce to make our Garlic Cheese Bread and Garlic Cheese Pizza. Unfortunately, our supply has been delayed and we hope to have product available again the week of November 29<sup>th</sup>.

We apologize for the inconvenience but wanted to keep you informed so you are able to adjust menus if needed.

Thank you for your continued support as we navigate these times together.

Sincerely,

*Vincent Nardone*
