Dear Valued Customer,

Nestlé Professional is committed to supporting our customers during this unprecedented supply chain environment. While we expect that current market conditions will periodically cause uncertainty in our supply chain, we are confident that we can deliver best in class service across our global network.

We have decided not to offer the Nestlé Coffee mate[®] Seasonal Limited Time Offer portfolio for the 2022 season. While we know there is a lot of excitement around our seasonal flavors, we will prioritize servicing our core Nestlé Coffee mate[®] SKUs to ensure order fulfillment.
